

Why Birds Eye Cove Farm

Fully Staffed Including In House Wedding Planner

Every wedding at the farm is thoughtfully supported with ceremony and reception set up and tear down, and our in house Wedding Planner- Blue Lily events included in our Wedding Package, who helps guide every detail- boasting selections in room layout and table configurations to linens, glassware, table settings, and décor styling.

Personalizing Your Celebration

Bookings come complete with full access to our commercial kitchen couples are welcome to make the celebration their own by selecting their preferred catering team and floral design either from a list of teams that have worked with our venue or to your personal preference.

About Us

Celebrate your wedding at **Birds Eye Cove Farm**, a multi-generational countryside farm estate nestled in natural beauty, where thoughtful planning, and warm-elegant spaces come together to create an unforgettable celebration.

Couples may choose from several designated ceremony sites across the property, including an oceanside ceremony setting, the heirloom orchard, or an indoor ceremony within the newly constructed cathedral-style barn, depending on weather and seasonal crops.
